

Hamilton County Health Department

RESIDENTIAL SHARPS COLLECTION

FREE OF CHARGE

WHO WE SERVE

Our vision is to provide safe disposal of sharps to our rural area that faces limited resources. This program is for residential medical sharps collection and disposal for residents of Hamilton and surrounding counties.

WHAT WE OFFER

- Stop by our office to pick up a sharps container and safety instructions
- Fill your sharps container with medical sharps waste: lancets, syringes, hypodermic needles
- Return your sharps container when it's full or no longer needed
